

## All Rates Disclosure

Processor offers that appear on this site are from companies from which All Rates receives compensation. This compensation may impact how and where products appear on this site (including for example, the order in which they appear). All Rates does not include all Credit Card processors and companies or all Credit Card offers available in the marketplace.

Processors determine the underwriting criteria necessary for approval, acceptance and pricing. You should review final Processor pricing as well as its terms and conditions carefully before making a decision. Reasonable efforts are made to provide and maintain accurate information. All processor rates, fees, and terms are presented without guarantee and are subject to change pursuant to each Processor's discretion. There is no guarantee you will be approved for merchant processing or that upon approval you will qualify for the advertised rates, fees, or terms shown. Documents and Information gathered is required by the Credit Card Processor and is not a guarantee of approval.

The results presented by All Rates comparison tool are designed for comparative purposes only, it is an estimation and may not reflect the actual Credit Card fees offered by the Processor you choose. All tools and calculators are deemed examples and are for illustrative purposes only. Your final rates, fees are unknown and all calculations are estimates. All Rates is not responsible for any of the consequences of any decisions or actions taken in reliance upon or as a result of the information provided by these tools. All Rates is not responsible for any human or mechanical errors, omissions, or misrepresentations.

This comparison tool does not have the ability to pre-qualify you for any Merchant credit card processing program. Qualification for Processor programs may require additional information such as credit score, history, etc., which is not gathered in this tool. Information such as credit card rates and pricing are subject to change at any time and without notice. Additional fees such as chargeback fees are not included in calculations. All information such as total credit card fees, transaction fees, and other fees are estimates and should be used for comparison only. All Rates does not guarantee any of the information obtained by this comparison tool.

Any opinions, analyses, reviews or recommendations expressed in articles, marketing materials are those of author's alone and/or All Rates, and have not been reviewed, approved or otherwise endorsed by any Processor.

See the Processor's merchant application and agreement for details about terms and conditions. Reasonable efforts are made to maintain accurate information. However all credit card Processor information is presented without warranty. When you click on the "Submit" button, you can review the rates, and terms and conditions for that particular Processor.
